

Bath and North East Somerset,  
Swindon and Wiltshire Partnership  
Working together for your health and care

# Help us shape a healthier future

We want health and care to become much more than providing services for you when you are ill or injured. We want to focus more on helping everyone to live a healthy life and to stay well.

## Virtual meetings in December

Join one of our virtual meetings in December to hear about our ideas to improve local health and care services and tell us about what matters to you.

Virtual events are being held on:

Wednesday 8 December, 6.30–7.30pm

Thursday 9 December, 12.30–1.30pm

Find out more and sign up on our website at
