Request for true certificate of Birth at Sable Soune

Response

Thank you for sending your Freedom of Information Request through to Wiltshire Health and Care.

Wiltshire Health and Care was formed in July 2016 and only holds clinical records for patients that were receiving direct care at the time and any subsequent patients since that date, the organisation does not provide maternity or birth registry services.

I would recommend that you submit your request to Wiltshire Council, who I believe hold the register of births and deaths. I have accessed their website and found the Freedom of Information email address: InformationGovernance@wiltshire.gov.uk
