Birth Certificates from 1958

Response

Wiltshire Health and Care was formed in July 2016 and only holds clinical records for patients that were receiving direct care at the time and any subsequent patients since that date, the organisation does not provide maternity or birth registry services.

It was recommended that the individual submit their request to Wiltshire Council, who we believe hold the register of births and deaths. The Freedom of Information email address was provided. InformationGovernance@wiltshire.gov.uk
